To the shareholders of Wm Morrison Supermarkets PLC (the "Company" or "Morrisons"), persons with information rights and, for information only, to holders of Morrisons employee share options and participants in Morrisons share incentive plans.

Dear Sir/Madam,

On 19 August 2021, the boards of directors of Morrisons and Market Bidco Limited (a newly incorporated entity formed by Clayton, Dubilier & Rice, LLP in its capacity as adviser to Clayton, Dubilier & Rice, LLC as manager of CD&R Fund XI) ("**CD&R Bidco**") announced that they had reached agreement on the terms of a recommended cash offer to be made by CD&R Bidco for the entire issued and to be issued share capital of the Company (the "**CD&R Offer**") to be implemented by means of a scheme of arrangement under Part 26 of the Companies Act 2006.

In light of the intention of the board of directors of Morrisons (the "**Morrisons Board**") to recommend unanimously the CD&R Offer, the Morrisons Board has decided unanimously to withdraw their recommendation of the increased cash offer from Oppidum Bidco Limited (a newly formed company indirectly owned by funds managed or advised by affiliates of Fortress Investment Group, LLC) for the entire issued and to be issued share capital of the Company (the "**Fortress Offer**"). Accordingly, the Morrisons Board will be proposing to adjourn the Morrisons shareholder meetings to consider the Fortress Offer, initially convened for 16 August 2021 and adjourned until 27 August 2021, until a date expected to be in or around the week commencing 4 October 2021. In light of the uncertainty surrounding the COVID-19 restrictions that may be in place as at the date of any shareholder meeting, and in order to protect the health and safety of all stakeholders, shareholders and other attendees (including any of their duly appointed proxies and/or corporate representatives) are strongly encouraged not to attend any shareholder meetings in person.

In accordance with Rule 2.11 of the City Code on Takeovers and Mergers (the "**Code**"), I enclose a copy of the announcement setting out the terms of the CD&R Offer issued by the boards of Morrisons and CD&R Bidco (the "**CD&R Announcement**") to keep you informed of developments. The CD&R Announcement includes a summary of the provisions of Rule 8 of the Code.

The formal offer documentation providing further information will be posted to you in due course, subject to the restrictions on distribution described in the CD&R Announcement. Shareholders need take no action at this time.

This letter is not a summary of the information in the CD&R Announcement and should not be regarded as a substitute for reading the CD&R Announcement in full.

under Part 26 of the Companies Act 2006**

1. Introduction

The boards of Market Bidco Limited ("**Bidco**") and Wm Morrison Supermarkets PLC ("**Morrisons**") are pleased to announce that they have reached agreement on the terms of a recommended cash offer by Bidco for the entire issued and to be issued share capital of Morrisons.

It is intended that the CD&R Offer will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act (although Bidco reserves the right to effect the CD&R Offer by way of a Takeover Offer, subject to the consent of the Panel).

2. The CD&R Offer

The CD&R Offer, which will be on the terms and subject to the Conditions and further terms set out in Appendix 1 to this announcement, and to be set out in full in the Scheme Document, will be made on the following basis:

For each Morrisons Share

285 pence in cash

(the "CD&R Offer Value")

The CD&R Offer Value represents:

- a premium of approximately 60 per cent. to the Closing Price of 178 pence per Morrisons Share on 18 June 2021 (being the last Business Day prior to 19 June 2021, the date of the announcement of a possible offer by CD&R for Morrisons and the commencement of the Offer Period);
- a premium of approximately 59 per cent. to the three month volume weighted average price of 180 pence per Morrisons Share to 18 June 2021 (being the last Business Day prior to 19 June 2021, the date of the announcement of a possible offer by CD&R for Morrisons and the commencement of the Offer Period); and
- a premium of approximately 60 per cent. to the six month volume weighted average price of 178 pence per Morrisons Share to 18 June 2021 (being the last Business Day prior to 19 June 2021, the date of the announcement of a possible offer by CD&R for Morrisons and the commencement of the Offer Period).

The CD&R Offer Value implies:

- an increase of 13 pence per Morrisons Share and £332 million total offer value on a fully diluted basis to the terms of the Fortress Increased Offer of a 272 pence total consideration for each Morrisons Share;
- an enterprise value multiple of approximately 9.0 times Morrisons' underlying EBITDA⁽²⁾ for the 52 weeks ended 31 January 2021 and approximately 9.4 times Morrisons' underlying (pre-COVID-19) EBITDA⁽²⁾ for the 52 weeks ended 2 February 2020; and
- a multiple of approximately 20.7 times Morrisons' underlying earnings per Morrisons Share⁽²⁾ for the 52 weeks ended 31 January 2021.

(2) Stated post-IFRS 16, before exceptionals and before paying previously waived business rates relief of £230 million in the 52 weeks ended 31 January 2021.

The CD&R Offer values the entire issued and to be issued share capital of Morrisons at approximately £7.0 billion on a fully diluted basis and implies an enterprise value of £9.7 billion.

The CD&R Offer Value payable by Bidco to Morrisons Shareholders under the terms of the CD&R Offer will be financed from a combination of equity capital to be invested by CD&R Fund XI, Ares European Direct Lending and Alternative Credit Funds and West Street Strategic Solutions and committed financing provided by Goldman Sachs Bank USA, BNP Paribas SA, Bank of America, N.A., London Branch, and Mizuho Bank, Ltd.

If, on or after the date of this announcement any dividend and/or other distribution and/or return of capital is declared, made or paid by Morrisons or becomes payable by Morrisons in respect of the Morrisons Shares, Bidco reserves the right to reduce the CD&R Offer Value payable under the terms of the CD&R Offer for the Morrisons Shares by an amount up to the amount of such dividend and/or other distribution and/or return of capital, in which case any reference in this announcement to the CD&R Offer Value payable under the terms of the CD&R Offer will be deemed to be a reference to the CD&R Offer Value as so reduced. In such circumstances, Morrisons Shareholders

would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital.

3. **Background to and reasons for the CD&R Offer**

CD&R believes Morrisons is a high quality business that is well-positioned within UK grocery and led by a strong management team. CD&R recognises the strength of Morrisons' heritage, the legacy of Sir Ken Morrison and its long-term track record of working with and for customers and stakeholders. In particular, Bidco and CD&R recognise the responsibility of the ownership of Morrisons and highlight the following key attributes of Morrisons which are important reasons for the CD&R Offer:

Leading UK grocer with strong heritage

- Morrisons has over 100 years of history in the UK market, evolving from a market stall in Bradford to the UK's fourth largest supermarket chain under Sir Ken Morrison's leadership, and still proudly headquartered in Yorkshire.
- CD&R recognises the legacy of Sir Ken Morrison, Morrisons' history and culture, and considers that this strong heritage is core to Morrisons and its approach to grocery retailing, and is committed to supporting Morrisons to capitalise on these foundations and to execute successfully the current strategy to deliver both growth and profitability.

Clear strategy and strong management team

- Since 2015, the Morrisons management team has been executing its "Fix, Rebuild, Grow and Sustain" plan which has proved successful in guiding the business to a place today from which it is well positioned to continue its robust growth trajectory.
- The management team has built the differentiated customer proposition and excellent in-store execution that define the business today. CD&R will support Morrisons in further building on these strengths as CD&R has done previously through its successful partnership with B&M. During the period under CD&R ownership, continued improvement of the product and service offerings and investment in the customer experience were key parts of B&M's successful strategy for growth.

Differentiated operational strengths

- Morrisons has many operational strengths that provide it with a differentiated market position and set of opportunities in the UK grocery retail market.
- One aspect of Morrisons' differentiation from its competitors is its freehold property portfolio which affords greater flexibility and operational control. CD&R has recent relevant experience partnering with operators of large real estate portfolios in the UK through its investment in MFG which operates 918 sites across the UK of which more than 90 per cent. are freehold and which has not changed under CD&R's six year ownership.

- Vertical integration represents a further unique operational strength of Morrisons, enabling it to compete successfully on price and guarantee the quality of its products in partnership with local suppliers and farmers. CD&R recognises the importance of the integrated model and will support Morrisons to invest in its supply chain and nurture the relationships with its supplier network.

Supportive market environment

- CD&R anticipates a supportive market environment in the core supermarket segment over the coming years, and believes that this will allow Morrisons to accelerate its commercial development.

Attractive wholesale adjacency

- Morrisons has expanded its wholesale business over recent years through organic growth and acquisitions, gradually building market share to be a meaningful wholesale player today.
- Its focus on the wholesale segment has allowed Morrisons to participate in the growth of the convenience sector. CD&R recognises the opportunity in wholesale and believes the wholesale activities of Morrisons are differentiated and scalable.

Growing online business

- Morrisons has successfully built one of the leading online grocery businesses in the UK, leveraging its well-integrated business model and strong partnerships with technology businesses such as Ocado and Amazon.
- Bidco and CD&R anticipate the growth in online grocery to continue and believe that Morrisons is well positioned to leverage this growth using the differentiated platform it has built.

CD&R's experience and partnership approach

- CD&R has a long-standing track record of consumer and retail investments, having completed 17 transactions and deployed \$7.3 billion of capital in consumer facing companies since 2000 including investments across the UK, Europe and North America.
- The CD&R team based in London has many years of experience in the UK retail and consumer space, an investment area which is of particular importance to CD&R. This experience includes CD&R's partnership with B&M from 2013 to 2018, and its current investments in MFG (since 2015) and WSH (since 2019).
- More broadly, CD&R has a long standing interest in the food sector, with investments in foodservice distribution businesses Brakes Brothers in the UK, and US Foods and Cheney Brothers in North America, as well as the US restaurant chain MOD Pizza.

- These successful investments, amongst others, and its operating advisers have given CD&R deep insight into the UK grocery sector which, alongside its industry operating expertise and the due diligence conducted in connection with the CD&R Offer, has enabled CD&R and Bidco to build up a strong understanding of Morrisons and the strength of its differentiated business model in the UK food retail market.
- CD&R is widely recognised for being a trusted partner to the management teams of the businesses in which it invests and for providing ongoing support to help them innovate, develop, and grow their operations. CD&R has dedicated significant resources to develop an in-depth understanding of the Morrisons management team's vision for the business and is committed to supporting the existing team in continuing to execute its current strategy, including the "Fix, Rebuild, Grow, Sustain" strategy which has served the business and its stakeholders well.
- Bidco and CD&R believe that as a private limited company, and with their support, Morrisons will have the opportunity to capitalise on: (i) the solid foundations the management team has built (ii) the Company's heritage and strong history and (iii) the broader evolution of the UK grocery market, so as to further accelerate Morrisons' growth and development.

4. **Recommendation**

The Morrisons Directors, who have been so advised by Rothschild & Co as to the financial terms of the CD&R Offer, consider the terms of the CD&R Offer to be fair and reasonable. In providing its financial advice to the Morrisons Directors, Rothschild & Co has taken into account the commercial assessments of the Morrisons Directors.

Accordingly, the Morrisons Directors intend to recommend unanimously that Morrisons Shareholders vote in favour of the Scheme at the Court Meeting and the Resolution to be proposed at the General Meeting, each to be convened as soon as is reasonably practicable following the date of this announcement, expected to be a date in or around the week commencing 4 October 2021.

On 3 July 2021, Morrisons and Fortress Bidco, a newly formed company indirectly owned by funds managed or advised by affiliates of Fortress Investment Group, LLC, announced that they had agreed the terms of an acquisition of the entire issued and to be issued ordinary share capital of Morrisons by Fortress Bidco, intended to be implemented by way of a scheme of arrangement under Part 26 of the Companies Act (the "**Fortress 2.7 Announcement**"). The Fortress 2.7 Announcement included a unanimous recommendation from the Morrisons Directors to the Morrisons Shareholders to vote in favour of the Fortress Offer at the Fortress Shareholder Meetings.

On 6 August 2021, Morrisons and Fortress Bidco announced that they had reached agreement on the terms of an increased cash offer (the "**Fortress Increased Offer Announcement**"). The Fortress Increased Offer Announcement included a unanimous

recommendation from the Morrisons Directors to the Morrisons Shareholders to vote in favour of the Fortress Increased Offer at the Fortress Shareholder Meetings.

In the light of their intended recommendation of the CD&R Offer from Bidco, the Morrisons Directors have decided unanimously to withdraw their recommendation of the Fortress Increased Offer and, accordingly, will be adjourning the Fortress Shareholder Meetings until around the expected date for the Court Meeting and General Meeting at which Morrisons Shareholders will be asked to approve the CD&R Offer, expected to be a date in or around the week commencing 4 October 2021.

5. Background to and reasons for the recommendation

On 4 May 2021, the Morrisons Board received an unsolicited proposal from Fortress at 220 pence per Morrisons Share. This proposal was not at a level the Morrisons Directors felt reflected an appropriate valuation for Morrisons and its future prospects.

Fortress then made four subsequent proposals before its offer reached a total value of 254 pence per Morrisons Share on 5 June 2021, a level at which the Morrisons Directors were minded to recommend the Fortress Offer, subject to satisfaction or waiver of Fortress' pre-conditions to the announcement of a firm intention to make an offer.

In order to facilitate the satisfaction of those pre-conditions, which related principally to the undertaking of limited due diligence and the arrangement of Fortress' funding of the offer, Morrisons and Fortress agreed a confidentiality agreement on 13 June 2021 and a clean team agreement on 19 June 2021. Fortress was given due diligence access on 14 June 2021.

On 19 June 2021 the Morrisons Board confirmed that it had received and rejected an unsolicited highly conditional non-binding proposal from CD&R in relation to a proposed cash offer of 230 pence per Morrisons share for the entire issued and to be issued share capital of Morrisons from CD&R.

CD&R made two subsequent proposals, the second of which was made on 29 June 2021 being a cash offer of 255 pence per Morrisons Share for the entire issued and to be issued share capital of Morrisons. Having evaluated this proposal, the Morrisons Board agreed to provide CD&R with access to limited confirmatory due diligence. Morrisons and CD&R agreed a confidentiality agreement on 5 July 2021 and a clean team agreement on 6 July 2021. CD&R was given due diligence access on 6 July 2021.

On 3 July 2021, Morrisons and Fortress announced that they had reached agreement on the Fortress Offer. Under the terms of the Fortress Offer, Morrisons Shareholders would receive a total value of 254 pence per Morrisons share in cash.

On 6 August 2021, Morrisons and Fortress Bidco announced that they had reached agreement on the Fortress Increased Offer. Under the terms of the Fortress Increased

Offer, Morrisons Shareholders would receive a total value of 272 pence per Morrisons share in cash.

On 19 August 2021, CD&R, having been given similar access to information on Morrisons as that provided to Fortress and having completed its confirmatory due diligence, made a proposal of 285 pence per Morrisons share in cash.

The Morrisons Board, together with its financial adviser Rothschild & Co, has carefully considered and evaluated the financial terms of the CD&R Offer and concluded that the CD&R Offer represents a superior offer for Morrisons shareholders as compared with the Fortress Increased Offer.

The Morrisons Board also carefully evaluated CD&R's intentions regarding the conduct of the Morrisons business under CD&R's ownership, and concluded that CD&R is a suitable and appropriate owner of Morrisons.

Accordingly, the Morrisons Board has decided unanimously to withdraw their recommendation for the Fortress Increased Offer and intend to recommend unanimously the CD&R Offer to Morrisons Shareholders.

In considering the financial terms of the CD&R Offer and determining whether they reflect an appropriate valuation of Morrisons and its future prospects, the Morrisons Directors took into account a number of factors including that:

- the CD&R Offer represents a 13 pence per share (4.8 per cent.) premium to the Fortress Increased Offer;
- the CD&R Offer Value represents a premium of approximately 60 per cent. to the Closing Price of 178 pence per Morrisons Share on 18 June 2021 (being the last Business Day prior to 19 June 2021, the date of the announcement of a possible offer by CD&R for Morrisons and the commencement of the Offer Period);
- the CD&R Offer Value represents a premium of approximately 59 per cent. to the volume-weighted average Closing Price of 180 pence per Morrisons Share for the three-month period ended 18 June 2021 (being the last Business Day prior to 19 June 2021, the date of the announcement of a possible offer by CD&R for Morrisons and the commencement of the Offer Period);
- the CD&R Offer Value implies an enterprise value multiple of approximately 9.0 times Morrisons' underlying EBITDA⁽³⁾ for the 52 weeks ended 31 January 2021 and approximately 9.4 times Morrisons' underlying (pre-COVID-19) EBITDA⁽³⁾ for the 52 weeks ended 2 February 2020; and
- the CD&R Offer Value implies a multiple of approximately 20.7 times Morrisons' underlying earnings per Morrisons Share⁽³⁾ for the 52 weeks ended 31 January 2021.

⁽³⁾ Stated post-IFRS 16, before exceptionals and before paying previously waived business rates relief of £230 million in the 52 weeks ended 31 January 2021.

6. Information relating to Bidco and CD&R

CD&R

CD&R, a private investment firm that manages capital on behalf of university endowments, foundations and pensions, is recognised for a value creation strategy based on accelerating the growth and improving the operational effectiveness of the companies it supports. Since its founding in 1978, CD&R has built a distinctive reputation as a trustworthy and collaborative partner to corporates, founding families, entrepreneurs, management and employees, as well as other stakeholders. Over its 43 year history, CD&R has generated superior investment returns for its global investors, including asset owners domiciled in the UK, by working closely with portfolio company management and employees, playing a constructive role in helping them transition their businesses to the next stage of profitable growth, including providing additional equity capital to support such growth. CD&R's industrial investment strategy is supported by a staffing approach that combines financial expertise with strong industry operational expertise. CD&R's operational resource base includes nearly 40 operating partners and advisers to funds it manages, including former senior executives and board leaders at pre-eminent UK based companies, including BP, GSK, Smith & Nephew, Tesco, WPP and Unilever as well as other international enterprises such as Disney, Gap and PepsiCo, among others.

CD&R has offices in New York and London, and has been investing in Europe for more than 20 years, acquiring 21 businesses for an aggregate transaction value of approximately £22 billion.

Approximately 80 per cent. of the value created by CD&R comes from growth and operational excellence. In CD&R's 2013 investment in British retailer B&M, for example, CD&R partnered with the founding family to further expand the business, develop an international strategy and ultimately take the company public on the London Stock Exchange. Under CD&R's ownership, revenues more than doubled, over 200 new stores were opened and a significant number of new jobs were created. In its 2010 investment in the British car auction company BCA, CD&R helped to lead the transformation of the business from a physical auction provider to an omnichannel marketplace by investing in organic initiatives as well as acquisitions to add digital capabilities, most notably webuyanycar.com. Both businesses have continued to grow and prosper after CD&R's ownership. B&M and BCA exemplify CD&R's history of building value by contributing to the long-term growth of its portfolio companies.

CD&R has a long standing track record of successful retail investments, including current portfolio companies BUT and Conforama, where CD&R created the number one player in the French furniture market, and MFG, where through organic and acquisitive growth CD&R supported the business to become one of the leading independent petrol station forecourt operators in the UK.

CD&R has extensive experience in the food supply chain in the UK, with investments in foodservice distribution (Brakes Brothers) as well as catering (WSH). CD&R also has broader experience in the sector, specifically in North America, with an almost uninterrupted presence since the 1990s, through its successful investments in food service distribution with Alliant, US Foods and Cheney Brothers, as well as in the restaurant chain MOD Pizza.

Bidco

Bidco is a private limited company recently incorporated in England and Wales at the direction of CD&R for the sole purpose of making the CD&R Offer. As at the date of this announcement, the entire issued share capital is indirectly owned by CD&R Fund XI.

Bidco has not traded since incorporation, nor has it entered into any obligations other than in connection with the CD&R Offer.

7. Information relating to Morrisons

Morrisons began as a Bradford market stall in 1899 and has grown to become the UK's fourth largest supermarket chain, employing over 110,000 colleagues across the UK. Following the opening of the first Morrisons supermarket store in 1961, Morrisons went public in 1967, and first entered the FTSE 100 index in April 2001. Today, Morrisons is a well-regarded, heritage British brand focused on price, service and fresh, local produce.

As at May 2021, Morrisons operated a largely freehold property estate including 497 stores, 339 petrol filling stations, 20 manufacturing and packing sites and 9 distribution centres. For the 52 weeks ended 31 January 2021, Morrisons reported total revenues of £17.6 billion and profit before tax and exceptionals⁽⁴⁾ of £431 million. Bidco's strategic plans for Morrisons

Bidco recognises the distinct heritage and history of Morrisons which have shaped its differentiated approach to grocery retailing, and believes the key resources and relationships of Morrisons reflect the values on which the business is built and are central to its continued success. In supporting Morrisons' growth strategy, Bidco and CD&R are confident that they will be a good partner to Morrisons' stakeholders including management, employees, customers, suppliers and pension trustees.

Long-term ownership

CD&R has a long history of successfully partnering, developing and caring for the businesses, management, employees and wider stakeholder constituencies of its portfolio companies. Based on its reputation for being a trustworthy partner, CD&R has often been selected as the "partner of choice" to corporates, families, management teams and investors.

CD&R's focus is on building strong, sustainable businesses for the benefit of all stakeholders by investing in its portfolio companies, leveraging the expertise of its operating partners and advisers to accelerate revenue growth, support innovation, and drive operational performance, including strong Environmental, Social and Governance ("ESG") programmes.

For example, under CD&R's ownership, British retailer B&M, more than doubled its revenues and EBITDA as a result of a successful store roll-out in the UK, and continued the improvement of its product and service offering and investment in the customer experience and infrastructure through store refurbishments, warehouse capacity and IT improvements. CD&R is proud of the fact that B&M continues to grow and prosper today as a public company beyond CD&R's involvement.

Equally, MFG, which is today one of the largest independent forecourt operators in the UK by number of sites, grew under CD&R ownership from approximately 300 sites to 918 stations across the country. CD&R has driven growth by strong investment in convenience retail and on-site food-to-go offering as well as highly synergistic M&A and optimisation of fuel operations.

Further, CD&R supported the transformation of the British car auction company BCA from a physical auction provider to an omnichannel marketplace by investing in organic initiatives as well as acquisitions to add digital capabilities, most notably webuyanycar.com.

Bidco anticipates utilising a similar approach to these examples in its investment in Morrisons.

Strategy and Management

Following the CD&R Offer becoming Effective, Bidco intends to continue to operate Morrisons as a standalone business led by the Morrisons management team, with its head office and head office functions remaining in Bradford. Bidco highly values the current structure, strategy and management of the business and recognises that the management team and colleagues will be key to Morrisons' success going forward. Bidco is therefore committed to supporting the existing Morrisons management team in continuing to execute its existing strategy, including the "Fix, Rebuild, Grow, Sustain" strategy which has served the business and its stakeholders well. Bidco does not intend to make any significant changes to the current strategy of the business.

Customers

Bidco recognises that Morrisons' deep understanding of its customers is core to its success. This enables Morrisons to be relevant and accessible, underpinning the easy and enjoyable customer experience at its supermarkets and rapidly expanded online

presence. Bidco highly values Morrisons' approach and capabilities in relation to serving its customers.

Colleagues and the Morrisons Pension Schemes

Bidco considers that the over 110,000 existing experienced and skilled Morrisons colleagues are the heart of the business and are core to driving the differentiated customer experience that helps define the Morrisons proposition. Bidco confirms that, following the CD&R Offer becoming Effective, the existing contractual and statutory employment rights, including existing pension rights of all Morrisons' management team and employees of Morrisons will be fully safeguarded. Bidco believes strongly in recognising the value of employees to everything that Morrisons does and is fully supportive of Morrisons' recent pay award of at least £10 an hour for all Morrisons colleagues in stores and manufacturing sites. Bidco does not intend to make any change to the benefits provided by the Morrisons Pension Schemes and looks forward to constructive engagement with the trustees of the Morrisons Pension Schemes in the future.

Suppliers and farmers

Bidco recognises that the trusted and collaborative relationships that Morrisons has with its suppliers are fundamental to ensuring the quality that its customers expect. Morrisons has played an important role in securing the future of many smaller suppliers during challenging times, thus supporting local communities and building stronger relationships based on mutual trust. Bidco does not anticipate any material changes to existing payment practices with suppliers.

Local communities

Morrisons' heritage has included a strong focus on the local communities which the company supports. This thinking has been reinforced across many areas of the business by, for example, the vertical integration strategy and payment terms for small suppliers and farmers where Morrisons has consciously sought to be a supportive partner to local communities. Bidco values and remains committed to these aspects of the heritage and operating approach of Morrisons.

Environmental, Social and Governance ("ESG")

Environmental, Social and Governance are important focus areas for CD&R. CD&R has established an ESG roadmap across its portfolio with the goal to enhance ESG performance during its ownership via an established framework of review. Bidco is fully aware of Morrisons' strong track record in this area as highlighted by its existing environment, carbon, packaging and plastic commitments. Bidco will continue to support, such initiatives in the business, including Morrisons' commitment, as one of British farming's biggest direct supermarket customers, to become the first supermarket to be completely supplied by net zero carbon British farms by 2030.

Wholesale, convenience and fuel forecourts

Morrisons has an extensive portfolio of 339 fuel forecourts. CD&R owns MFG, one of the leading operators of fuel forecourts in the UK with 918 sites. CD&R believes there

is a potential opportunity for a commercial operational partnership between Morrisons and MFG that could accelerate the development of Morrisons' wholesale business and convenience portfolio through supply and branding arrangements. CD&R believes that such arrangements could also enhance the customer experience within MFG sites and develop Morrisons' engagement with a broader customer base. Assessment of such a partnership and the associated opportunities are at an early stage and will require further discussion with the management of Morrisons.

Property

As part of its commitment to delivering sustainable growth for Morrisons and continuing to enhance profitability and return on capital, Bidco expects to continue to invest in the store footprint and new store openings, as well as further online and wholesale development as critical components of the growth story. Similar investments have been key features in a number of CD&R's portfolio companies, including B&M, MFG and BUT / Conforama.

Bidco recognises that the high proportion of freehold ownership of the Morrisons store estate is a particular strength of the business which has been carefully preserved over many years and will continue to be a cornerstone of Morrisons. Bidco does not intend to engage in any material store sale and leaseback transactions.

High levels of real estate ownership has been a feature of previous CD&R investments, including MFG where real estate ownership has remained above 90 per cent. since the acquisition by CD&R in 2015.

Capital structure

CD&R intends to put in place a long-term capital structure for Morrisons that provides the business with substantial liquidity and the appropriate financial flexibility to continue to invest in and support the growth of Morrisons. CD&R anticipates that leverage in Morrisons' funding structure will reduce over time, with over £3.4 billion of equity capital initially invested in Bidco for the purposes of making the CD&R Offer, and that Bidco will retain a significant equity ownership for an extended period.

Long-term partnership review with Morrisons management

Recognising the limitations of due diligence within a public company context, in conjunction with the short timeframe and reduced opportunity to meet with management, Bidco has not been able to formulate fully all aspects of its strategy for Morrisons, other than its intention to support management's ongoing strategy. Bidco intends to engage with the Morrisons management team following the CD&R Offer becoming Effective to understand the business in more detail and to partner with management to set out the joint vision and strategy for Morrisons in the context of becoming a private company. Bidco will ask the management of Morrisons to lead this process with the close collaboration and input of CD&R and, where appropriate, other stakeholders in the business. Bidco believes that this review process is an important part of the long-term partnership that it intends to build with the management of Morrisons and broader stakeholders in the business in order to determine the short and long term objectives for the business and how they can best be delivered in a collaborative way. Bidco will work with the management of Morrisons to determine

the detailed scope of this review and the appropriate timetable for its completion but Bidco anticipates this review will be completed within approximately six months from the Effective Date. Bidco anticipates the review will focus on all aspects of the business and opportunities available, including:

- reviewing Morrisons' markets, customers, procurement, service offerings and delivery;
- driving further investment to support the customer experience and proposition, the work environment and opportunities for colleagues and Morrisons' growth ambitions and delivery of its potential;
- assessing the opportunity across each aspect of the business to enhance its strategic positioning, accelerate development and deliver its long term objectives, including potential partnerships and acquisitions. This would include Morrisons' property portfolio, portfolio of fuel forecourts and convenience retail network; and
- deepening engagement with the key stakeholders of the business including customer, colleagues, suppliers and farmers, broader business partners, pension trustees and other stakeholders.

The outcomes of the review could include investment in people, capabilities, organisation, infrastructure and assets to grow the business sustainably over the long-term. Bidco expects the outcome of the evaluation to be consistent with its stated intentions set out elsewhere in this paragraph 8.

Employees and Management

Morrisons has a strong team of talented and committed colleagues who have all worked hard to help Morrisons develop its differentiated position in the food grocery market and as an attractive proposition in the minds of customers and broader stakeholders. The strength and importance of this broad team has been particularly highlighted over the last year as Morrisons has played an important role in supporting the supply of food in the UK during the COVID-19 pandemic. Bidco and CD&R acknowledge and are inspired by the outstanding efforts of the whole Morrisons team in this achievement, including management and colleagues in stores, manufacturing and distribution sites and head office. Bidco and CD&R fully appreciate the ongoing importance of this role and are fully committed to supporting Morrisons.

Bidco and CD&R recognise that, through Morrisons' "Fix, Rebuild, Grow, Sustain" framework, Morrisons' management team has made good progress in repositioning the group since 2015, including establishing a core purpose, aim, model and strategy for the business. This approach has driven enhanced stakeholder dialogues and relationships, improved financial performance, attracted substantial new talent to the Morrisons Group and enabled significant investment to be made in the business. Bidco and CD&R recognise the high quality of the colleagues and strength of the management team at Morrisons and their importance to the success of Morrisons following the CD&R Offer. The quality of the Morrisons management team and commitment of all colleagues at Morrisons is an important part of the rationale for the CD&R Offer. Bidco and CD&R have given assurances to the Morrisons Directors that the existing

contractual and statutory employment rights, including pension rights, of all Morrisons' management and employees shall be fully safeguarded. Bidco's and CD&R's plans for Morrisons do not involve any change in the balance of skills and functions of employees or their conditions of employment. In particular, Bidco is fully supportive of Morrisons' recent pay award of at least £10 an hour for all Morrisons colleagues in stores and manufacturing sites. Bidco views this pay award as an important and appropriate recognition of their contribution to Morrisons.

Portfolio companies in which CD&R has invested have an outstanding track record of investing in initiatives to support people and their success within their organisations. CD&R helped B&M expand its footprint, increasing UK stores and employment by nearly 80 per cent. and 120 per cent., respectively, under CD&R's ownership.

It is not anticipated that, as a result of the CD&R Offer, there will be any material change to Morrisons' headcount. If, as anticipated, following the CD&R Offer becoming Effective, Morrisons becomes a private limited company, a limited number of functions related to being a publicly listed company may be reduced in scope or become unnecessary. Bidco has not yet developed proposals as to how any such potential change in functions will be implemented. Bidco and CD&R, with the support and guidance of Morrisons' management, intend to provide alternative opportunities where possible within Morrisons to employees currently in these roles. At this stage, Bidco and CD&R have not yet developed a proposal in relation to these alternative opportunities or additional recruitment areas and will only develop and implement such a proposal in coordination with Morrisons' management. Bidco and CD&R will consult as necessary or appropriate with relevant employees, any employee representatives and other stakeholders before any proposals referred to in this section (*Employees and Management*) are finalised.

Pensions

Morrisons operates and participates in three defined benefit pension schemes in the UK, being the Morrisons 1967 Section of the Morrisons Retirement Saver Plan, the RSP Section of the Morrisons Retirement Saver Plan and the Safeway Pension Scheme (together, the "**UK Pension Schemes**"). The last full actuarial valuations in respect of the UK Pension Schemes were carried out on 1 April 2019 for the Safeway Pension Scheme and 5 April 2019 for each of the Morrisons 1967 Pension Scheme and the Morrisons Retirement Saver Plan. Each of these valuations revealed a funding surplus on the agreed valuation bases. The aggregate surplus was approximately £682 million for all plans combined.

The UK Pension Schemes are closed to new entrants and to the future accrual of benefits for existing members. Bidco does not intend to re-open any of the UK Pension Schemes to new members or future accrual. Bidco has met the trustees of the UK Pension Schemes and fully appreciates the importance of the UK Pension Schemes and their members and trustees as key stakeholders within Morrisons' business. Bidco does not intend to make any change to the benefits provided by the UK Pension Schemes. Bidco confirms that its intention is for employer contributions to the UK Pension Schemes to continue in line with current arrangements.

Safeway also has a defined benefit pension arrangement in Gibraltar, the Safeway Stores (Overseas) Limited Pension Scheme (the "**Gibraltar Pension Scheme**"). As at

31 January 2021, the Gibraltar Pension Scheme had a deficit of approximately £1.3 million on an IAS19 basis. The Gibraltar Pension Scheme is open to new members and to future accrual. Bidco does not intend to make changes to the Gibraltar Pension Scheme (including with regard to accrual of benefits for existing members, the admission of new members and current arrangements for the funding of the scheme deficit) and confirms its intention for employer contributions to the Gibraltar Pension Scheme to continue in line with current arrangements.

Headquarters, locations, fixed assets and research and development

Bidco and CD&R intend for Morrisons to continue to operate as a standalone business, led by the Morrisons management team with its head office and head office functions in Bradford. Bidco has no plans to make any material restructurings or change in the locations of Morrisons' places of business other than any changes at the head office, which are necessary due to Morrisons' change of status to a private limited company.

Bidco and CD&R have no plans to change the locations of Morrisons' places of business or to redeploy the fixed assets of Morrisons following the CD&R Offer becoming Effective. Morrisons does not currently have a research and development function and Bidco and CD&R have no plans in this regard.

Management incentive arrangements

Following the CD&R Offer becoming Effective, Bidco and CD&R intend to review Morrisons' management, governance and incentives structures. Bidco has not entered into, and has not had any discussions on proposals to enter into any form of incentivisation arrangements with members of Morrisons' management. It will enter into such discussions and put in place appropriate arrangements following the completion of the CD&R Offer and intends to operate annual and long-term incentive arrangements in the future.

Trading facilities

Morrisons Shares are currently listed on the Official List and admitted to trading on the London Stock Exchange. As set out in paragraph 13, applications will be made to the FCA for the cancellation of the listing of Morrisons Shares on the Official List and to the London Stock Exchange for the cancellation of trading of Morrisons Shares on the Main Market of the London Stock Exchange.

None of the statements in this paragraph 8 are "post-offer undertakings" for the purpose of Rule 19.5 of the Takeover Code.

9. Financing of the CD&R Offer

Bidco is providing the CD&R Offer Value payable to Morrisons Shareholders under the terms of the CD&R Offer through a combination of equity capital and debt financing. The financing will comprise: (i) capital comprising ordinary shares and preference shares to be invested by CD&R Fund XI, Ares European Direct Lending and Alternative Credit Funds and West Street Strategic Solutions; and (ii) a term loan and revolving facilities to be provided under an interim facilities agreement arranged

Goldman Sachs Bank USA, BNP Paribas SA, Bank of America, N.A., London Branch, and Mizuho Bank, Ltd.

CD&R, Ares European Direct Lending and Alternative Credit Funds and West Street Strategic Solutions may syndicate part of their funding commitments to one or more co-investors either before or after the Scheme becomes Effective. If such co-investment occurs prior to the Scheme becoming Effective, an announcement will be made by Bidco in respect of this through a Regulatory Information Service. In addition, other potential investors may acquire indirect minority interests in Bidco during the offer period or once the Scheme becomes Effective.

Goldman Sachs International and J.P. Morgan Cazenove, as financial advisers to Bidco, are satisfied that sufficient resources are available to Bidco to satisfy in full the CD&R Offer Value payable to Morrisons Shareholders under the terms of the CD&R Offer.

Further information on the financing of the CD&R Offer will be set out in the Scheme Document.

10. **Morrisons Share Plans**

Participants in the Morrisons Share Plans will be contacted regarding the effect of the CD&R Offer on their options and awards under the Morrisons Share Plans and appropriate proposals, where required, will be made to such participants in due course. Details of the proposals will be set out in the Scheme Document and in separate letters to be sent to participants in the Morrisons Share Plans.

The Scheme will not extend to Morrisons Shares issued after the Scheme Record Time. However, it is proposed to amend the Articles at the General Meeting to provide that, if the CD&R Offer becomes Effective, any Morrisons Shares issued to any person other than Bidco or its nominees after the Scheme Record Time (including in satisfaction of an option exercised under one of the Morrisons Share Plans) will be automatically transferred to Bidco in consideration for the payment by Bidco to such persons of an amount equal to the CD&R Offer Value available under the terms of the CD&R Offer for each Morrisons Share so transferred. The provisions of the Articles (as amended) will avoid any person (other than Bidco and its nominees) holding shares in the capital of Morrisons after the Effective Date.

11. **Offer-related arrangements**

Confidentiality Agreement

On 5 July 2021, CD&R and Morrisons entered into a confidentiality agreement (the "**Confidentiality Agreement**") in relation to the CD&R Offer, pursuant to which, amongst other things, CD&R has undertaken to keep confidential information relating to Morrisons and to the CD&R Offer and not to disclose it to third parties (with certain exceptions). These confidentiality obligations will remain in force until the second anniversary of the date of the Confidentiality Agreement (except in certain limited circumstances). The Confidentiality Agreement contains provisions pursuant to which CD&R has agreed not to solicit certain employees of the Morrisons Group, subject to customary carve-outs, for a period of 12 months from the date of the Confidentiality Agreement.

Clean Team Agreement

On 6 July 2021, CD&R, Morrisons and their respective legal advisers entered into the Clean Team Agreement, the purpose of which is to stipulate the procedure for the sharing of CD&R and Morrisons' commercially sensitive information with each other during the due diligence exercise to ensure that the exchange of such commercially sensitive information remains compliant with antitrust laws and to ensure that such sharing does not constitute a waiver of privilege, right or immunity otherwise available.

Co-operation Agreement

On 19 August 2021, Bidco, Market Topco and Morrisons entered into a co-operation agreement (the "**Co-operation Agreement**"), pursuant to which, among other things Bidco and Market Topco have undertaken to use reasonable endeavours to implement the CD&R Offer and to promptly engage with the CMA and relevant UK government stakeholders in respect of the CD&R Offer.

Morrisons has undertaken to provide promptly such information and assistance to Bidco as Bidco may reasonably require for the purposes of, among other matters, satisfying the Regulatory Condition (as defined therein). Bidco has also agreed to promptly provide Morrisons with such information, assistance and access as may reasonably be required for the preparation of the Scheme Document and any other document published in connection with the Scheme.

The Co-operation Agreement will terminate in certain circumstances, including (subject to certain exceptions):

- (a) if agreed in writing between the parties, at any time prior to the Effective Date;
- (b) upon service of written notice by Bidco to Morrisons, if one or more of the following occurs:
 - (i) prior to the Long Stop Date, a third party announces a possible offer or firm intention to make an offer or revised offer (whether or not subject to the satisfaction or waiver of any pre-conditions) for Morrisons which the Morrisons Directors recommend or state publicly their intention to recommend; or
 - (ii) a Morrisons Board Adverse Recommendation Change (as defined in the Co-operation Agreement) occurs (other than a Morrisons Board Adverse Recommendation Change set out in limb (b) of that definition); or
- (c) upon service of written notice by either party to the other party, if one or more of the following occurs:
 - (i) prior to the Long Stop Date, any Condition has been invoked by Bidco (where (if permission is required) the invocation of the relevant Condition is permitted by the Panel);
 - (ii) prior to the Long Stop Date, a third party announces a possible offer or firm intention to make an offer or revised offer (whether or not subject to the satisfaction or waiver of any pre-conditions) for Morrisons which

completes, becomes effective or is declared or becomes unconditional in all respects;

- (iii) if the CD&R Offer is withdrawn, terminated or lapses in accordance with its terms prior to the Long Stop Date and, where required, with the consent of the Panel (other than where: (i) such lapse or withdrawal is as a result of the exercise of Bidco's right to effect a Switch (as defined in the Co-operation Agreement); or (ii) it is otherwise to be followed within five (5) Business Days (or such other period as Morrisons and Bidco may agree) by an announcement under Rule 2.7 of the Takeover Code made by Bidco or any person acting in concert with Bidco (or deemed to be acting in concert with Bidco) to implement the CD&R Offer by a different offer or scheme on substantially the same or improved terms);
- (iv) if the Scheme is not approved by the Scheme Shareholders at the Morrisons Court Meeting and/or the Morrisons Shareholders at the Morrisons General Meeting, or the Court refuses to sanction the Scheme; or
- (v) unless otherwise agreed by the parties in writing or required by the Panel, if the Effective Date has not occurred by the Long Stop Date.

The Co-operation Agreement also contains provisions that will apply in respect of the Morrisons Share Plans and certain Morrisons employee incentive arrangements.

12. **Scheme process and Conditions to the CD&R Offer**

It is intended that the CD&R Offer shall be implemented by way of a Court-sanctioned scheme of arrangement between Morrisons and the Morrisons Shareholders under Part 26 of the Companies Act.

The effect of the Scheme is to provide for Bidco to become the holder of the entire issued and to be issued ordinary share capital of Morrisons. This is to be achieved by the transfer of the Morrisons Shares to Bidco, in consideration for which the Morrisons Shareholders who are on the register of members at the Scheme Record Time shall receive the CD&R Offer Value on the basis set out in paragraph 2 of this announcement.

To become Effective, the Scheme requires, among other things:

- the approval of a majority in number of the Scheme Shareholders who are present and vote (and are entitled to vote), whether in person or by proxy, at the Court Meeting and who represent not less than 75 per cent. in value of each class of the Scheme Shares voted by those Morrisons Shareholders;
- the passing of the Resolution at the General Meeting (which will require the approval of Morrisons Shareholders representing at least 75 per cent. of the votes cast at the General Meeting either in person or by proxy); and
- the sanction of the Scheme by the Court and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies.

The Conditions in paragraph 2 of Appendix 1 to this announcement provide that the Scheme will lapse if:

- the Court Meeting and the General Meeting are not held by the 22nd day after the expected date of the Court Meeting to be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and Morrisons);
- the Scheme Court Hearing to approve the Scheme is not held by the 22nd day after the expected date of such hearing to be set out in the Scheme Document in due course (or such later date as may be agreed between Bidco and Morrisons); and
- the Scheme does not become Effective by 11.59 p.m. on the Long Stop Date,

provided however that the deadlines for the timing of the Court Meeting, the General Meeting and the Scheme Court Hearing as set out above may be waived by Bidco, and the Long Stop Date may be extended by agreement between Morrisons, Bidco, the Panel and the Court.

If any Condition in paragraph 2 of Appendix 1 to this announcement is not capable of being satisfied by the date specified therein, Bidco shall make an announcement through a Regulatory Information Service as soon as practicable and, in any event, by not later than 7.00 a.m. on the Business Day following the date so specified, stating whether Bidco has invoked that Condition, (where applicable) waived that Condition or, with the agreement of Morrisons, specified a new date by which that Condition must be satisfied.

Once the necessary approvals from Morrisons Shareholders have been obtained and the other Conditions have been satisfied or (where applicable) waived and the Scheme has been approved by the Court, the Scheme will become Effective upon delivery of the Court Order to the Registrar of Companies.

Upon the Scheme becoming Effective: (i) it shall be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the General Meeting (and if they attended and voted, whether or not they voted in favour); and (ii) share certificates in respect of Morrisons Shares will cease to be valid and entitlements to Morrisons Shares held within the CREST system will be cancelled.

It is expected that the Scheme Document, containing further information about the CD&R Offer and notices of the Court Meeting and the General Meeting, together with the associated forms of proxy, will be posted to Morrisons Shareholders on a date in or around the week commencing 6 September 2021 and, in any case, within 28 days of this announcement (or such later time as Morrisons, Bidco and the Panel agree). It is likely that the Meetings to approve the CD&R Offer will be convened for a date in or around the week commencing 4 October 2021.

Subject to the satisfaction of the Conditions, the Scheme is expected to become Effective in October 2021.

An expected timetable of key events relating to the CD&R Offer will be provided in the Scheme Document.

13. Delisting, cancellation of trading and re-registration

It is intended that the London Stock Exchange and the FCA will be requested respectively to cancel trading in Morrisons Shares on the Main Market of the London Stock Exchange and the listing of the Morrisons Shares on the premium segment of the Official List, in each case, to take effect on or shortly after the Effective Date.

The last day of dealings in Morrisons Shares on the Main Market of the London Stock Exchange is expected to be the Business Day immediately prior to the Effective Date and no transfers will be registered after 6.00 p.m. on that date.

It is intended that Morrisons be re-registered as a private limited company and for this to take effect as soon as practicable on or following the Effective Date.

14. Disclosure of interests in Morrisons securities

CD&R made a public Opening Position Disclosure in respect of the interests in the relevant securities of Morrisons held by CD&R and its concert parties on 5 July 2021 (the "CD&R Opening Position Disclosure").

As set out in the CD&R Opening Position Disclosure, the following persons acting in concert with Bidco hold interests in Morrisons Shares:

It has not been practicable for Ares European Direct Lending and Alternative Credit Funds, Mizuho, BNP Paribas, BofA Securities and West Street Strategic Solutions (in the case of its affiliates, so far as they are presumed to be acting in concert with it) to make enquiries of all of their concert parties in advance of the release of this announcement. Therefore, if Bidco becomes aware, following the making of such enquiries, that any of its concert parties have any additional interests in the relevant securities of Morrisons, all relevant details in respect of Bidco's concert parties will be included in a revised CD&R Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code which shall be made on or before 12 noon (London time) on the 10th Business Day following the date of this announcement.

Notice to US investors in Morrisons

The CD&R Offer relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English company law. Accordingly, the CD&R Offer is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the US tender offer and proxy solicitation rules. The financial information included in this announcement has been prepared in accordance with generally accepted accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US.

If, in the future, Bidco exercises its right to implement the CD&R Offer by way of a Takeover Offer, which is to be made into the US, such Takeover Offer will be made in compliance with the applicable US laws and regulations, including Section 14(e) and Regulation 14E under the US Exchange Act. Such Takeover Offer would be made in the United States by Bidco and no one else.

It may be difficult for US holders of Morrisons Shares to enforce their rights and any claim arising out of the US federal laws, since Bidco and Morrisons are located in a non-US jurisdiction, and some or all of their officers and directors may be residents of a non-US jurisdiction. US holders of Morrisons Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgment.

Neither the US Securities and Exchange Commission nor any US state securities commission has approved or disapproved of the CD&R Offer, or determined if this announcement is accurate or complete. Any representation to the contrary is a criminal offence in the US.

US Morrisons Shareholders also should be aware that the transaction contemplated herein may have tax consequences in the US and that such consequences, if any, are not described herein. US Morrisons Shareholders

are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this transaction.

Forward looking statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the CD&R Offer, and other information published by Bidco and Morrisons contain statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco and Morrisons about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the CD&R Offer on Bidco and Morrisons (including their future prospects, developments and strategies), the expected timing and scope of the CD&R Offer and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "strategy", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Although Bidco and Morrisons believe that the expectations reflected in such forward-looking statements are reasonable, Bidco and Morrisons can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements.

These factors include, but are not limited to: the ability to complete the CD&R Offer; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms and schedule; future market conditions, changes in general economic and business conditions, the behaviour of other market participants, the anticipated benefits from the proposed transaction not being realised as a result of changes in general economic and market conditions in the countries in which Bidco and Morrisons operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Bidco and Morrisons operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those in the forward-looking statements. Such forward-looking statements should therefore be construed in the light of such factors. Neither Bidco nor Morrisons, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations, neither Bidco nor Morrisons is under any obligation, and Bidco and Morrisons expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm on the 10th Business Day following the commencement of the offer period and, if appropriate, by no later than 3.30 pm on the 10th Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Takeover Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

Part B: Further terms of the CD&R Offer

1. Subject to the requirements of the Panel and the Takeover Code, Bidco reserves the right in its sole discretion to waive:
 - (a) the deadline set out in paragraph 1 of Part A of this Appendix 1, and any of the deadlines set out in paragraph 2 of Part A of this Appendix 1 for the timing of the Court Meeting, General Meeting and the Scheme Court Hearing. If any such deadline is not met, Bidco shall make an announcement by 7.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Morrisons to extend the deadline in relation to the relevant Condition; and
 - (b) in whole or in part, all or any of the Conditions set out in paragraphs 3(a) to 3(i) (inclusive) of Part A of this Appendix 1.
2. Bidco shall be under no obligation to waive or treat as satisfied any of the Conditions that it is entitled (with the consent of the Panel and subject to the requirements of the Takeover Code) to invoke, by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
3. If Bidco is required by the Panel to make an offer for Morrisons Shares under the provisions of Rule 9 of the Takeover Code, Bidco may make such alterations to any of the above Conditions and the terms of the CD&R Offer as are necessary to comply with the provisions of Rule 9.
4. Under Rule 13.5(a) of the Takeover Code, Bidco may not invoke a Condition so as to cause the CD&R Offer not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Bidco in the context of the CD&R Offer. The Conditions set out in paragraphs 1, 2(a)(i), 2(b)(i), and 2(c)(i) of Part A of this Appendix 1 and, if applicable, any acceptance condition if the CD&R Offer is implemented by means of a Takeover Offer, are not subject to this provision of the Takeover Code. Bidco may only invoke a Condition that is subject to Rule 13.5(a) with the consent of the Panel and any Condition that is subject to Rule 13.5(a) may be waived by Bidco.

5. Bidco reserves the right to elect to implement the CD&R Offer by way of a Takeover Offer as an alternative to the Scheme (subject to the Panel's consent and the terms of the Co-operation Agreement). In such event, the CD&R Offer will be implemented on the same terms and conditions (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the Morrisons Shares (or such other percentage as Bidco and Morrisons may, subject to the rules of the Takeover Code and the terms of the Co-operation Agreement and with the consent of the Panel, decide) of the Morrisons Shares and any amendments required by, or deemed appropriate by, Bidco under applicable law, so far as applicable) as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Morrisons Shares are otherwise acquired, it is the intention of Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding Morrisons Shares to which such Takeover Offer relates.
6. The CD&R Offer will lapse if the European Commission either initiates proceedings under Article 6(1)(c) of Council Regulation (EC) 139/2004/EC, or the CD&R Offer otherwise becomes subject to a Phase 2 CMA Reference, in each case before 1.00 p.m. on or before the later of the date of the Court Meeting and the date of the General Meeting. In such event, Morrisons will not be bound by the terms of the Scheme.
7. The CD&R Offer will be governed by the laws of England and Wales and be subject to the jurisdiction of the English courts and to the Conditions set out above. The Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the Listing Rules, the FCA and the Registrar of Companies.
8. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
9. The Morrisons Shares will be acquired pursuant to the CD&R Offer with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them, including without limitation voting rights and the right to receive and retain in full all dividends and other distributions (if any) declared, made or paid, or any other return of capital or value (whether by reduction of share capital or share premium account or otherwise) with a record date falling on or after the Effective Date.
10. If, on or after the date of this announcement and before the Effective Date, any dividend, distribution or other return of capital or value is announced, declared, made or paid by Morrisons or becomes payable by Morrisons in respect of the Morrisons Shares, Bidco reserves the right (without prejudice to any right of Bidco, with the consent of the Panel, to invoke the Condition set out in paragraph 3(e)(iii) of Part A of this Appendix 1) to reduce the CD&R Offer Value payable under the terms of the CD&R Offer for the Morrisons Shares by an amount equal to the aggregate amount of such dividend, distribution or other return of capital or value. In such circumstances, Morrisons Shareholders would be entitled to receive and retain any such dividend, distribution or return of capital or value. Any exercise by Bidco of its rights referred to in this paragraph 10 shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the CD&R Offer.

11. To the extent that a dividend, distribution or other return of capital or value has been declared, paid, made or is payable, and is or shall be: (i) transferred pursuant to the CD&R Offer on a basis which entitles Bidco to receive the dividend, distribution or other return of capital or value and to retain it; or (ii) cancelled, the consideration payable and the CD&R Offer Value shall not be subject to change and shall not be reduced in accordance with paragraph 10 of Part B of this Appendix 1.
12. The CD&R Offer is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
13. The availability of the CD&R Offer to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements. Further information in relation to Overseas Shareholders will be contained in the Scheme Document.
